

# ACC Board Levy Recommendations for 2010/11 to the Minister for ACC

Under the Injury Prevention, Rehabilitation, and Compensation (IPRC) Act 2001, the ACC Board has now recommended levy rates for the 2010/11 year to the Minister for ACC. In recommending these levy rates, the Board has considered submissions received as part of the public consultation process, which took place between 14 October and 10 November 2009.

The ACC Board's recommendations are not binding on the Minister, who will obtain further advice before making recommendations to Cabinet. Cabinet is expected to decide on the final 2010/11 levy rates in December 2009. The Minister for ACC will announce the rates once they are decided.
