

# ACC - Service Agreement 2020/21

## Extension to timeframes

In light of the COVID-19 pandemic, ACC requested an extension to the Service Agreement 2020/21 timelines as allowed for in [section 149CA of the Crown Entities Act 2004](#), as inserted by the [COVID-19 Response \(Taxation and Other Regulatory Urgent Measures\) Act 2020](#).

An extension of three months has been granted, this will allow ACC to consider:

- Actual experience and insights from the latest economic projections 2020/21 and beyond
- the impact on performance as a result of the period of lockdown and transition between alert levels.

ACC's Service Agreement 2020/21 will be finalised by 30 September 2020.
