Your Official Information Act request, reference: GOV-033455

Thank you for your email of 3 July 2024, asking for the following information under the Official Information Act 1982:

1. *The 70-day and 9 month return to work statistics for the 4th quarter of the 2023-24 year AND for the whole 2023-24 year.*
2. *Is it intended that these statistics will be included in future quarterly reports as has been the case for at least the past 14 years until this year? These statistics have not been included in the 3 quarterly reports for the 2023-24 year, apparently as part of some 'streamlining' advised by the ACC Auditors.*

Rehabilitation rates

The requested 10 week (70 day) and 9 month return to work/rehabilitation rates are provided in the table below.

2023/24 financial year	10 week return to work rate (rolling 52 weeks)	9 month return to work rate (rolling 52 weeks)
Quarter 1	62.8%	89.6%
Quarter 2	62.3%	89.0%
Quarter 3	61.8%	88.7%
Quarter 4	61.5%	87.8%

ACC does not intend to include these statistics in future quarterly reports.
