Your Official Information Act request, reference: GOV-022319

Thank you for your request of 22 November 2022, which Waka Kotahi transferred, in part, to ACC for response. Your request asks for *'...a breakdown of costs that are paid from Petrol, Diesel and RUC charges.'* Our response provides information that relates to ACC levies on motor vehicles and petrol.

ACC collects levies from petrol and vehicle license fees (regos)

The Motor Vehicle levy is paid on petrol at the pump (currently 6c per litre) and as part of vehicle license (rego) fees.

ACC does not collect a levy on diesel or through road user charges. For non-petrol vehicles, including diesel, the whole levy is paid through the vehicle license fee. You can find further information on the Motor vehicle levy at <https://www.acc.co.nz/about-us/our-levies/paying-levies-if-you-own-or-drive-a-vehicle/>.

Revenue collected from the Motor Vehicle Levy

The table below shows the amount ACC collected from the Motor Vehicle Levy, broken down by petrol and vehicle license fees. We have also included the Motorcycle Safety Levy (applied to motorcycles only).

Motor Vehicle Account revenue, FY2018 to FY2022 (\$000)

	2017/18	2018/19	2019/20	2020/21	2021/22

The Motor Vehicle Account is used to pay the ACC claim costs of injuries involving motor vehicles on public roads, as well as other ACC expenses related to these claims (e.g. claim management and injury prevention programmes).
