Telehealth Codes for Hearing Loss Services

We've introduced new Telehealth codes for hearing loss service providers from 1 May 2021.

To provide this service you must meet our telehealth criteria and follow the requirements set out in NZ Audiological Society Best Practice Guidelines and the Allied Health Aotearoa New Zealand's best practice guideline. Medical practitioners must meet the Medical Council of New Zealand's telehealth guidelines. Further information on telehealth can be found on our website here:
