Section 2 – Evaluation

NB: If the client is off work, 1 activity must relate to return to work.

A) Initial Assessment

PSFS: "I am going to ask you to identify three to five important activities that you are unable to do or are having difficulty with as a result of your _____ problem." (Clinician: show scale to patient and have the patient rate each activity).

B) Follow-up Assessments

PSFS: "When I assessed you on (state previous assessment date), you told me that you had difficulty with (read all activities from list). Today, do you still have difficulty with: (read and have patient score each item in the list one at a time)?"

C) PSFS scoring scheme (Point to one number):
